From the editor's desk

This issue might remind the reader of the old term "necrology" as most of its pages consist of lists of the dead. Joining our usual series of extracts from Riverdale Cemetery records is the first installment of Daniel B. Olds' index of death notices from Columbus newspapers. Researchers into the genealogy of this area will be forever grateful to Dan for his painstaking dedication to this undertaking. He hopes to extend the index back to 1872 where the late Buster Wright's similar index ended. Anyone who would like to volunteer to assist in this project is urged to contact Daniel B .Olds. Remember to tell Dan how much you appreciate this effort. Finally, we remember with gratitude and affection the lives and contributions of our colleagues in genealogy who have recently departed. Their cheerful and generous support of this Society and of Muscogee County's history and genealogy will continue to be an inspiration to us.

INDEX OF DEATH NOTICES IN COLUMBUS, GEORGIA, NEWSPAPERS FROM 1 JANUARY 1898 TO 31 DECEMBER 1918

BY

Daniel B. Olds

Index of persons whose burial, death, funeral or obituary notice was printed in the Columbus, Georgia *Enquirer-Sun, Saturday Evening Herald* or *Sunday Herald Newspaper* between 01 January 1898 and 31 December 1918.

NOTE: The vast majority of persons on this list died here and were buried here. However, if a person died and/or was buried elsewhere, and they had a relative here, their names are included. If a person died elsewhere and their remains were brought here for burial their names also are included.

Following abbreviations are used:
[AA]=African American
E.S.=*Enquirer-Sun Newspaper*
Sat. E.H.=*Saturday Evening Herald Newspaper*
S.H.=*Sunday Herald Newspaper*

Format for data is: Last Name, First Name, Middle Initial or Name, Title, Race. Edition Date. Newspaper Name.
(Unless otherwise indicated persons are Caucasian).

RESEARCHERS PLEASE NOTE: The newspapers of yesteryear, unlike modern newspapers, did not designate a specific space for the publication of death, obituary, funeral and/or burial notices. Rather, this information was printed on any page where there was room. Researchers must, therefore, read each page of each newspaper edition in order to locate the information for individuals listed in this index. The *Enquirer-Sun*, *Saturday Evening Herald* and *Sunday Herald* usually consisted of eight pages. The *Enquirer-Sun* printed one edition Tuesdays through Saturdays and two editions on Sundays.

The compiler of this index noted several "glitches" in the microfilm copy sequence. For example, the *Enquirer-Sun* edition of January 24, 1902 is followed by the edition of February 25, 1902. For this reason researchers are advised to always check the editions a few days before and a few days after the edition date shown in the index. In addition, no microfilm is available for January 1-9, 1900 and October 1-15, 1900.

The microfilm of the newspaper editions listed in this index, except for the period 24 Oct 1905 through 12 December 1905, are available in the Reference Section, Bradley Memorial Library, Columbus, Georgia.

Special thanks to Mr. Ken Thomas, Jr. for loaning the compiler the microfilm of the 24 Oct-12 Dec 1905 period.
